GENEROSITY

HOME SCHOOL VALUES

This term we will be focussing in school on the value GENEROSITY.

We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK ABOUT GENEROSITY TOGETHER.

When we think about **generosity** we usually think about being **generous** with money or possessions. However, we can also be **generous** with our time, our gifts and our abilities.

Generous people often say that they receive much more than they give. Perhaps this is because when someone is **generous** to us, it makes us want to be **generous** in return. The opposite of being **generous** is being selfish. What kind of person would you prefer to have as a friend?

- How would you describe yourself on this scale?

- Where would other members of your family put you on the scale and what are their reasons?
- Who is the most **generous** person you know?

The Widow's Mite

Jesus had been teaching in the Temple. But now he sat down near the treasury and watched as the many visitors to the Temple passed by and dropped money into the collecting box to help with God's work.

The rich men dressed in fine robes threw in handfuls of coins as they passed, without a thought. But then a poor widow came by, paused, and placed just two mites (tiny coins) into the box.

Jesus called his disciples to him and told them what he had seen.

Then he said to them, "Let me tell you, this poor widow gave more than all those people who threw many coins into the treasury. The wealthy men gave just a small part of their riches which made no difference to them. But the widow gave all that she had."

You see, God is more interested in what is in the heart of the giver than the size of their gift.

A Mite in Jesus' time was a small brass coin worth 1/128th of a denarius. Typically a labourer was paid 1 denarius for a day's work.

In Britain, many years ago, a coin called a mite was in general use and worth half a farthing, a very tiny amount of money.

☆ HALL OF FAME

A Generous Saint

Nicholas grew up long ago in a poor part of Turkey. His father earned just enough to provide for the needs of his family but many people in the town were extremely poor.

One day something extraordinary happened. A wealthy relative, who Nicholas barely knew, suddenly died and left him a vast fortune. Overnight Nicholas became rich, so rich that he felt very uncomfortable about having so much money when many of the townsfolk barely had enough to eat. But Nicholas knew that the families were proud and they would not want to accept money that they had not earned. He needed to find a way to help them in secret.

So in the dark of night, Nicholas crept through the town leaving parcels of food, clothing and money for the families most in need. He helped one family with three daughters several times. The father was so curious about the mysterious benefactor, that he was determined to stay awake and discover who was being so **generous**. As Nicholas quietly left his gift at the door of their tiny home the man leapt out and chased Nicholas until he finally caught up. Nicholas was embarrassed and begged the man not to give away his secret. The father promised. But he was so happy and grateful that he just couldn't help telling people, and soon the whole town knew about Nicholas' **generosity**.

Nicholas continued to live in the same town and he continued to be **generous** to every one in need. Every December he rewarded the children who had been good during the year by secretly delivering presents whilst they were asleep. To this day Nicholas is remembered in countries across the world when children receive gifts on December 5th, St Nicholas' Day.

HOME-SCHOOL CHALLENGE

The Generositree

The fruit of the generositree are blessings.

Think of something **generous** that you could do that would bless someone and make them happy. Then do it.

Design and make a colourful exotic looking fruit to represent the blessing and take it to school to hang on the Generositree.

FAMILY FOCUS

Secret St Nick

Each member of the family could decide on someone that they think deserves a special present. Find some pots for each person and begin to save a small amount each week.

When December comes buy presents that will make your special person smile or that they will find useful. Wrap the gifts as creatively as you can and write their name on a homemade label. Deliver in secret on 5th December, St Nicholas' Day.

FASCINATING FACTS

Leading the Pack

Lieutenant Baden-Powell was a brave soldier in the British Army and served in India and Africa. He was an expert in wilderness survival skills, like hunting, making fires and building rafts. To help new soldiers he wrote a small manual. A version of this became "Scouting for Boys" and gave him the idea of setting up the Scouting movement.

Today, worldwide, millions of children and young people are Scouts, Cubs, Beavers, Guides, Brownies or Rainbows.

- In the UK over 160,000 volunteers run Scouting and Guiding groups
- They **generously** give over 20 million hours of service each year
- Many parents also use their skills to help children to earn badges

NORTHLEACH PRISON TRIP

We had a lot of fun learning at The Old Prison at Northleach. We dressed up in woollen prison clothes, which were quite itchy and uncomfortable! Then we went into the cells and found out what daily life would have been like. We had some mock trials in a courtroom, where some very strict magistrates gave out some punishments... Then we pretended to be thieves and found out which punishments fitted the crimes. A big thanks to Rebecca from Northleach prison who taught us so much about crime and punishment and showed us brilliant artefacts to bring everything to life.
