

# North Cerney C of E Primary Academy

#### Our School Vision

A caring Christian community where every child achieves a love of life and of learning.

## Projected Sports Premium Grant 2022-2023

At North Cerney C of E Primary Academy we will receive funding as part of the Olympic Legacy, to improve the quality of P.E and sport provision for our pupils. This funding can be spent to enhance the teaching of P.E. and support a healthy and active lifestyle. One of the conditions of this money is that we must publish how we have spent the money so far and how we plan to spend the rest. To ensure that we make the most of this funding and gain maximum impact from it we have carried out a school audit.

We expect that P.E. is an integral part of the curriculum, allowing children to experience various sporting activities and competing at different levels and abilities both in and outside school. We encourage all children to participate in all lessons and events and offer a varied range of activities to suit all abilities.

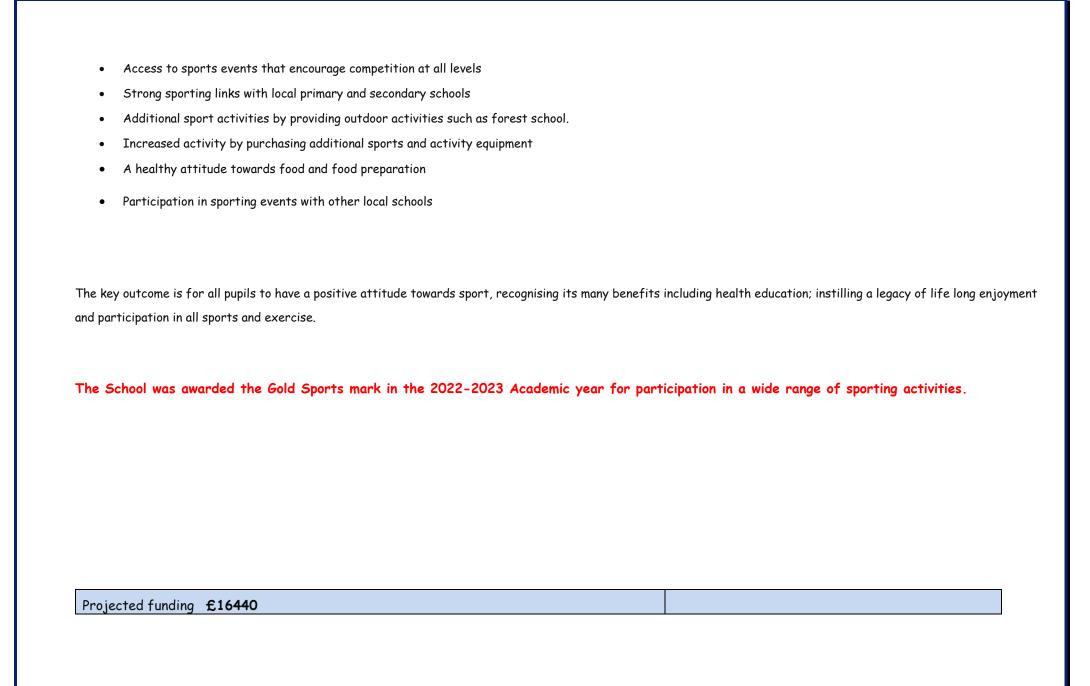

### <u>Introduction</u>

We project to receive £16440 via the PE and Sports Grant to fund improvements to the provision of PE and sport, for the benefit of pupils aged 5-11 years old, so that all pupils develop healthy lifestyles.

#### Aims

We aim to encourage:

- Regular high quality P.E teaching from well trained staff
- Free before/after school sporting provision

Activity/Project	Cost	Objective	Impact	Sustainability over time
Subscription to the Cotswold Sporting Partnership	£1000	To increase participation rates in competitive sports across the school.	Children experience new sports (Indoor Athletics) and full range of competitive experiences, both team and individual leading to raised confidence levels and enjoyment.
