

UNDER THE WEATHER FORM

TO BE COMPLETED BY THE PARENT(S)/CARER(S)

We know it can be difficult to send your child to school if they aren't quite feeling 100%.

If you want your child to give school a go, this form lets our staff know they are 'under the weather', so they can keep an eye on them and help quickly if they start to feel worse.

The NHS online guidance 'Is my child too ill for school?' gives advice on when to keep your child at home and when it might be better to send them into school. This has been emailed to you but can also be found on the school website.
