

## School Closure Procedures in the event of adverse weather conditions

### Adverse weather where the school will remain open

Please ensure you are careful on icy days when entering and exiting the school should pathways be icy. On Windy days please be aware of debris. In extreme heat please ensure your child has plenty of fluids, sunhat and sun cream.

Please always ensure your child is appropriately dressed for the weather condition.

### School closure during the school day

In the event of the school closing during the school day we will aim to contact you via the school's text messaging or e-mail service and add a post to our website, school Facebook account and the Gloucestershire Closed Schools website.

**Please ensure we have your correct emergency contact details**

Should the weather not be in our favour and there is a warning of adverse weather conditions or any public emergency with the potential to close the school please follow the below actions. We will endeavour to update all of the below channels by 7.30am on the day of closure.

### Look at:

- The Gloucestershire schools closure website: [www.glosclosedschools.com](http://www.glosclosedschools.com) or follow them on twitter @glos schools
- Your mobile phone
- The school website
- The schools Facebook Account

### Listen to:

- BBC radio Gloucestershire (104.7 FM or 95.0 FM)

### If we are still open

- Please drive carefully and only travel should it be safe to do so

- Walk to school if practical to do so
- We always welcome volunteers to help clear snow from the school
- Be prepared if the school needs to close unexpectedly and ensure you are able to receive communications should we need to close

**If we are closed or need to close**

- Keep checking the above channels for regular updates from the school
- Collect your child immediately from school if contacted to so as roads soon become unpassable
- Ensure you inform the school office of any changes in your contact details
- Stay safe and have fun
- Await communications regarding home learning
